About: I'm a Front-End Web Developer whose favourite thing is a well designed website. I'm passionate about creating user-friendly interfaces utilising lean, readable and reusable code. I learn fast, and my background in customer service/communications means I get a real kick out of a happy client.

Skills:
- HTML5
- CSS3/SASS (Advanced level)
- Accessibility (Expert level) and Responsive design
- Sketch/Photoshop
- Javascript
- JQuery/Angular, Vue JS, React (all basic, beginner level)
- Pixel perfect design implementation
- Fast learner
- Excellent communicator
- Design (wire-framing, mobile first)
  I also have an interest in Ruby, and spent some free time learning it to better my OOP and general programming skills.
